   c) A golden axe?
Ans Hari used an iron axe.

Q.9 Can you cut wood with a silver or golden axe?
Ans No, we cannot cut wood with a silver or golden axe.

Q.10 What do you think Hari did with his gifts?
Ans We think he might have sold them and got lot of money.

Composition

Mr Patel is an electrician. He is standing on the ladder. He is repairing the street light. Spotty, his dog, is with him. He is standing near the ladder. Meow! Meow! The black cat is crossing the road. Spotty hates cats. He is barking loudly and is running after the cat.

Look at Mr Patel. He is on the ground now. The ladder is on the ground too. ‘Come here, Spotty’, he is calling out to his dog. Now the cat is on the roof. Spotty is coming back. He is wagging his tail. Mr Patel is not angry. He is looking at him and is smiling.

   b) To catch a thief?
   Ans She sat there to take rest.

Q.5 Who got out of the car? Describe him.
   Ans A man got out of the car. He had a cap on his head and a scarf round his face and neck. He was tall, thin and carried a big bag.

Q.6 What did the man throw at the window?
   Ans The man threw a big stone at the window of the shop.

Q.7 What was the window made of?
   Ans The window was made of glass.

Q.8 What did the man do inside the shop?
   Ans He put a number of gold chains and bangles into his bag.

Q.9 The man came near Mrs Sood’s bench. What did Mrs Sood do?
   Ans She put her umbrella infront of him and the man tripped and fell down.

Q.10 Who caught the thief?
   Ans Two police men caught the thief.

Q.11 What did the shopkeeper do first? What did he say to Mrs Sood?
   Ans The shopkeeper first collected his gold ornaments. Then he said ‘Thanks’ to Mrs Sood.

Q.12 What did he give her? Did Mrs Sood take it? What did she say?
   Ans He gave her a gold ring. No, Mrs Sood did not take it. She said that she was a good citizen and a good citizen is not paid for being one.

Q.13 Why do you think the man had a cap on his head, and a scarf round his face and neck?
   Ans We think the man had a cap on his head, and a scarf round his face and neck so that nobody should recognize him.

Q.14 Mrs Sood was a good citizen. Does a good citizen.
   a) Keep her surroundings clean?
   b) Help the old and the weak on the road?
   Ans Yes, a good citizen keeps her surroundings clean. Yes, a good citizen helps the old and the weak on the road.

Composition

Yesterday, I went to the market in the morning. I took an umbrella with me. After sometime I sat on the bench. It was infront of the jewellery shop. Then something unusual happened. A car stopped infront of the shop. A man came out and threw a stone at the window of the shop, and jumped in. Soon he came out with a bag full of gold chains and bangles.

I quickly pushed my umbrella infront of him. The thief tripped and fell down. I shouted, ‘Thief’! Thief!’ Fortunately, two policemen came and caught the thief.

SUBJECT—SCIENCE
